3D character animation, 3D modeling, character rigging, video editing

CAREER-RELATED EXPERIENCE

- 2015 | "Companion" Assistant Animator
Animated and cleaned up two key scenes of the award-winning short by Sean O'Neill.
- 2013 | "Mouse House" Creator
Conceptualized and produced a 2D short by leading a small team of background artists, clean-up artists, and a sound designer.
- 2013 | "The Leaping Place" Character Designer
Designed the main character and solved timing and environmental design problems for a 3D short.
- 2012 | 24-Hour GENERATE Competitor
Created a character pitch with a team of three for SCAD and Weta Workshop by designing an alien and painting an accompanying digital illustration.
- 2011- Present | Freelance Illustrator

ACTIVITIES

- September 2016 | Mad Housers Volunteering
Built a temporary shelter for a homeless client by transporting tools and applying the roofing, flooring, and painting.
- 2013-present | Mascot Costume Creation
Sole proprietor of a business that designs and builds custom mascot costumes for private clients.
- 2013 | Lifeline Animal Volunteering
Walked and exercised homeless dogs around the shelter.
